Weaving Stories to Connect with Our Gifts

The project entitled “Tapestry” was born out of inspiration from the Holy Spirit who guides me on my creative journey to excellence. It is a workshop that will result in a compilation of individual short stories that weave a theme of restoration, reconciliation and righteous living.

Its purpose is connect with writers who wish to share their testimonies but may not know how to work through the process of writing or book or whose work many not meet the volume requirement for a stand-alone book.

Tapestry will be a book of testimonies broken down into chapters that talk about such things as:

- Reconciliation
- Restoration
- Salvation
- Pruning and Growing in the Fruits of the Spirit
- Connecting with Christ and His people
- Family Challenges and Victories
- Living Single
- Widowhood
- What it means to be a Disciple in a World of Non-Believers
- Teen Challenges
- Chasing Jesus

There will be many for topics. There are two formats to this project. If you wish to attend the workshop format, there will be seven sessions. If time does not permit you to attend the workshop format, there will be an online webinar that will be self-managed and you will be able to work on your own schedule.

The unique twist to this workshop and webinar series is that “Tapestry” will be published and made available for you to sell as income for you and your ministries. You will receive

The cost to participate in the 7 Session Workshop is \$149.00 and the cost to participate in the 7 session Webinar is \$175.00. The reason the webinar is more expensive it because I will have to work twice as hard to ensure your work meets the standards that I am setting for the published project.

I am limiting the number of individuals to 25 writers. So pray on this...you must be ready when opportunities come around.

If you are in ministry, are a writer or someone who just has a story to tell then **Tapestry** is for you. Call me at (856)248-0624, or email me at dmsmart@gladstonepublishing.com.
